Dear Resident or Business,

Full details of all the **comments can be found in a report now available on the council's website at:** https://www.haringey.gov.uk/parking-roads-and-travel/travel/cycling#Cycle_parking - Proposed Bikehangars (Cycle Parking Storage) 2022/2023 -New proposed bikehangars - batch 2.

As part of the decision-making process, the council have considered all comments and have now approved the introduction of cycle hangars at 17 locations listed in this letter. The installation works for these cycle hangars are programmed to be carried on site between **10 July 2023** and **15 July 2023**.

If you have any queries or require any further information, you can contact us at frontline@haringey.gov.uk.

How to apply for a space in a cycle hangar

Applications for cycle hangar spaces are managed by Cyclehoop, the company that supplies and manages the arrangement. Cyclehoop will only start taking requests once a cycle hangar has been installed. A maximum of two spaces can be allocated per person, but if a Bikehangar is under-utilised over a period of time, then Cyclehoop will issue additional spaces if required. Priority will be given to the residents who requested for a cycle hangar to be installed and are on our waiting list.

To apply for a space and for rental charges, contact Cyclehoop directly:

Thank for your attention.

Yours faithfully

Cycle Storage/ Cycle Hangar

Bike hangars are communal bike lockers offering storage for six bicycles. A single cycle hangar unit occupies less than one car parking space. The units are easy to open as they have self-lifting doors, and the steel design protects cycles from vandalism, theft and wet weather.
