Proposed Bikehangar (Cycle Parking Storage) 2023-24 Batch 1

Dear Resident or Business,

Encouraging more people to cycle is an important part of the central Government and Haringey councils policy to help tackle traffic congestion, improve air quality, promote physical activity, and improve accessibility. However, many residents particularly those who live in flats find it difficult to keep bicycles at home due to lack of storage space. The council therefore has a rolling programme to provide more secure cycle storage (Bikehangar) on street for **residents'** use.

As part of this **years' cycle parking** programme, we are proposing to install Bikehangars at various the locations in the borough listed at the back of this letter. The locations for the proposed Bikehangars have been selected based on requests received from local residents.

We are writing to notify you of the proposed Bikehangar outside or near your home. The statutory consultation for these proposals will end on **13 September 2023** and provides a 6 week period for interested parties to make a representation or object to the proposals. If you would like to make a submission on the proposals detailed in the table at the back of this letter, please respond via our website at <https://consultation.appyway.com/haringey> or email traffic.orders@haringey.gov.uk. Please ensure that **'2023 – T36 Bikehangar Batch 1'** and the **location detail** is included within the subject title when responding.

Comments must be received no later than 13 September 2023

What happens next?

Once the consultation is concluded, the council will consider all the feedback received before a decision is made. If the Bikehangar is installed, applications for Bikehangar rental spaces may be made to Cyclehoop, who supply and manage these facilities. Please note Cyclehoop will only review requests for space only once a Bikehangar has been installed. For further information on Bike hangars and details of rental charges, visit: www.cyclehoop.com.

Thank for your attention.

Yours faithfully

19	Tregaron Ave	N8 9HA	opp. No. 1 Tregaron Ave
20	Whittington Road	N22 8YR	outside no. 67 Whittington Rd

Cycle Storage/Bikehangar

Bike hangars are communal bike lockers offering storage for six bicycles. A single Bikehangar unit occupies less than one car parking space. The units are easy to open as they have self-lifting doors, and the steel design protects cycles from vandalism, theft and wet weather.
