What is Community Infrastructure Levy (CIL)?

The Community Infrastructure Levy (CIL) is a charge based on the floorspace of new buildings to help fund infrastructure needs arising from new development.

What is this document?

Regulation 121C of the CIL Regulations 2010 requires the Council to publish an Annual CIL Rate Summary every December for the next calendar year.

The Annual CIL Rate Summary must show how the adopted CIL Charging Schedule rates have been 'indexed' for inflation over time. CIL rates are 'indexed' for inflation using the Royal Institution of Chartered Surveyors (RICS) 'CIL Index' which is published in October every year.

On 21 July 2014 the Council approved the first Haringey CIL Charging Schedule which took effect on 1 November 2014 ("Haringey CIL Charging Schedule 2014"). On 14 March 2022, and following a CIL Partial Review, the Council approved a revised CIL Charging Schedule ("Haringey CIL Charging Schedule 2022". This took effect on 1 September 2022 and on the same date the Haringey CIL Charging Schedule 2014 ceased to have effect.

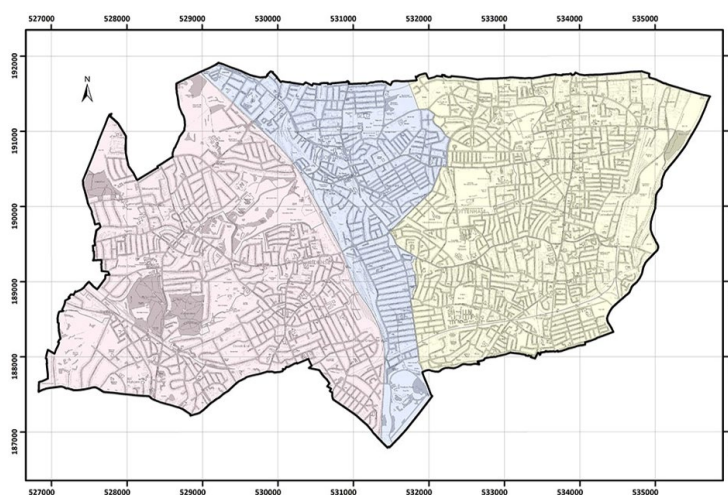

This document sets out the Haringey CIL Charging Schedule 2022 and the Annual CIL Rate Summary for 2024 together.
